

# The First Annual Northern Arizona Environmental Conference in Prescott, AZ

For members of environmental organizations, Native American tribes, and college students

*"We have noticed there are MANY organizations supporting protection and conservation of all areas of concern, but we tend to work in "silos." Wouldn't it be wonderful if we could gather our different disciplines and work together, sharing ideas, and finding ways to support each other?"*

Join us for a day of networking & strategizing!

Date: **Saturday, January 26<sup>th</sup>, 2019**

**Tickets:** \$10 / person. This includes box lunch provided by
